

NEVADA PREPAID TUITION PROGRAM

Save Now for the Cost of Tomorrow's Tuition

Purchase a Prepaid Tuition contract to start saving for your tuition expenses. There's a program for every budget. This is an Internal Revenue Code Section 529 qualified tuition program offered by the State of Nevada.

Portable

You may still use your benefits if you move out of state. Your contract may be used at any accredited university, college, or community college in the nation and in certain cases at schools around the world. Children enrolled in Prepaid Tuition do not have to choose a Nevada School.

Tax-Exempt

Any earnings grow tax free at the federal level which means that the purchaser does not have to pay federal tax on any interest or the increased contract value each year. Payments are distributed directly to eligible colleges and universities on a tax-free basis.

Safe and Affordable

The State Treasurer's Office manages the Trust Fund. Community College plan payments start as low as \$30 per month; University Plan payments as low as \$125 per month. Prices vary depending upon the age/grade of the child.

Flexible

You may change your plan or payment option anytime you want. Benefits are transferable to another member of the family, which, includes first cousins of the beneficiary. Children have up to ten years from the time they graduate high school or age 30 to begin using benefits. And you lose none of the benefits if you move out of state.

Voluntary

Participation in Prepaid Tuition is strictly voluntary. You may request a refund at any time, minus payment of a one time \$100 termination fee.

Prepaid Tuition Plan Options

The Nevada Prepaid Tuition Program offers both a University Plan and a Community College Plan. Under the University Plan you may purchase 2 or 4 years of tuition credit hours (either 60 or 120 credit hours). Under the Community College Plan you may purchase 2 years of tuition credit hours (60 credit hours). We will also offer a combination plan which allows you to purchase 2 years of tuition credit hours at Community College and 2 years of tuition credit hours at a University (60 credit hours + 60 credit hours = 120 credit hours total).

Prepaid Tuition Payment Options

There are three convenient payment options:

- A single lump sum payment, or
- Equal monthly installment payments until your child reaches college age or,
- A Five-year option of 60 equal monthly installment payments

You may make a minimum down payment of \$1,000 to reduce your monthly payment and the total amount of your contract.
